Centro de distribuição do Grupo Gold divisão ferragens em Pouso Alegre - MG

Com muito orgulho e satisfação, inauguramos em 2015 o primeiro museu de chaves da América Latina.

Trata-se da realização de mais um sonho da família Gold, que, acima de tudo, presta assim uma homenagem a seu fundador, Caetano Mario Abramovic Greco, e a todos que fizeram e fazem parte dessa história - colaboradores, chaveiros e parceiros.

O acervo do museu contempla a origem e evolução das chaves ao longo dos séculos pelo mundo afora e, nesse contexto, o desenvolvimento da indústria de chaves no Brasil, representado no empreendedorismo da família GRECO, que transformou seu desejo em realidade, visando a construção de um futuro melhor para todos.
